

Welcome Athletes & Families!

Welcome to another exciting season of PCFAC hockey. PCFAC as a whole looks forward to all of the athletes that will be attending tryouts with aspirations of joining our club in the fall. First off we want to wish all of the athletes and their families the best of luck in tryouts. We know that it takes a village to raise a hockey player as well and we are so grateful and appreciative for the countless hours Parents, Siblings, Grandparents, Extended Family & Friends put into their athletes lives. The support you provide these young ladies is nothing short of exceptional and you truly are raising leaders of the future.

We want to also take this time to wish all of our PCFAC alumni the best of luck in their athletic and scholastic endeavours. PCFAC is extremely proud of our recent alumni with many going on to pursuits in post secondary athletics, schooling, and making positive impacts in the working world.

For our prospective athletes as you embark upon tryouts this year know that excellence isn't something that happens over night and be proud of the hours of effort you have put into this point in your hockey careers. Enjoy the process of tryouts, meet new people, and put an effort forward that you can be proud of at the end of the day. Most of all though HAVE FUN! Hockey is an incredible sport and be sure to enjoy these moments in your athletic career as you will be sure to cherish them when you look back.

Lastly our entire PCFAC board, Coaches, and Personnel would like to wish you a warm welcome to tryouts. We cannot wait to see what this years group of PCFAC athletes has in store!

All the best,
Tanya Chomyc
Director of Hockey Operations
PCFAC
